Thanks as always, to
Grace for your faithful
praying & generous giving!

Please join us in...

* Thanking the Lord for a great start to the semester. Bible studies on campus have seen a growth in numbers and depth of involvement. At our large group meetings I have been teaching through Genesis, which has led to some great discussions among the students!

* Thanking the Lord for a successful Winter Retreat. I taught on "Identity in Christ", and led a workshop on "Jesus & Academics". Shannon led a workshop on "Jesus & Friendships".

* Praising the Lord for some effective outreaches on campus. A Valentine's Day event on "True Love" brought out some non-Christians who heard the gospel for the first time!

* Praying for a number of students who have still not come to know Christ, though they have been hearing the Word for many weeks now. Pray especially for "C", "L" and "W" that they would come to know Jesus!

* Praying for our upcoming Women's Conference. Pray that many from our campuses would attend, and be impacted by the Word (the topic is "Wise Women: Walking Through Proverbs"). Shannon will be teaching on Proverbs 1:1-7.

Again, thankful for you all!!!!

However, some ministries are hidden and confidential. Come hear, as Phil Morrison (recently retired, Kenya, E. Duane and Joetta Moyer

Both Duane and Joetta Moyer were born into missionary families. Joetta's parents served among Native Americans in Oklahoma and later settled in Kansas where Joetta's Dad taught in public and Christian schools until retirement. Duane's parents served first in Belgian Congo and then in Guadeloupe, West Indies. Both Duane and Joetta graduated from Grace University in Omaha Nebraska where they met and were married. In 1978, they joined World Team and were appointed to service in Guadeloupe, where World Team had just launched a new pastoral training program. Duane's original assignment was to help bridge the gap between the first generation of leadership and the new generation that was being trained. The initial project turned into 35 years of leadership development in local churches, children's ministries, and Bible School. By God's grace, they left Guadeloupe in July 2013, having assisted many young leaders in establishing reputations as faithful servants of Christ in various ministries in Guadeloupe and beyond.

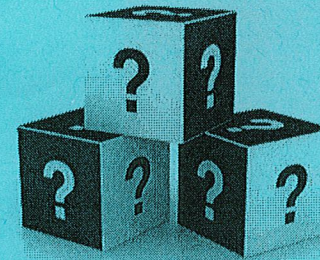

In January 2014, Duane was called to serve as Director of the Bible Fellowship Church Board of Missions. He provides pastoral care and administrative support to the 129 envoys of the Bible Fellowship Church. He is also responsible for sharpening the missional focus of the denomination while promoting understanding between supporters, agencies, and missionaries around the world.

MOODY BIBLE STUDY CLASS

is beginning a new course:

HOW TO UNDERSTAND THE BIBLE

No book in history has even approached the popularity of the Bible. Tens of millions of Bibles translated in more than one thousand languages are sold or distributed throughout the world.

No other book can give definitive, trustworthy answers to the three great questions people ask:

Where did I come from?

Why am I here?

Where am I going when I die?

Therefore, no subject can be of greater importance than how to understand the Bible.

The Bible is God's personal message to you;
understanding
that message can transform your life.

Please see Henry Sandt for further details. As we have done before, anyone wishing to participate in the Study Class may do so without enrolling with Moody Bible Institute.
