Thank you so much for your prayers and support. We are so humbled and grateful for it. We are humbled by the Lord's provision of 100% of LCMI

ministry needs once again this year as well!

We praise the Lord for fruitful ministry in spite of 2020 being a pandemic year. The Lord enabled us to conduct 57 camps reaching 4,205 children with the gospel, 741 parents were reached with gospel-centered marriage seminars and 441 pastors were challenged to include and incorporate special needs children in the life of a church. To God be the glory! As the Lord said in Mathew 16:18 "...I will build my church, and the gates of hell shall not prevail against it."

We are grateful to the Lord for His protection on each member of our team and for their good health even as they travelled for ministry during the pandemic and continue to do so. We are praising the Lord for technology and the wonderful tool it has been for us to continue the work. We continue to look to the Lord for His favor and wisdom as we wrap up the ministry this year and get ready for next year. Please pray for International borders to be opened up again so we can travel to Asia freely.

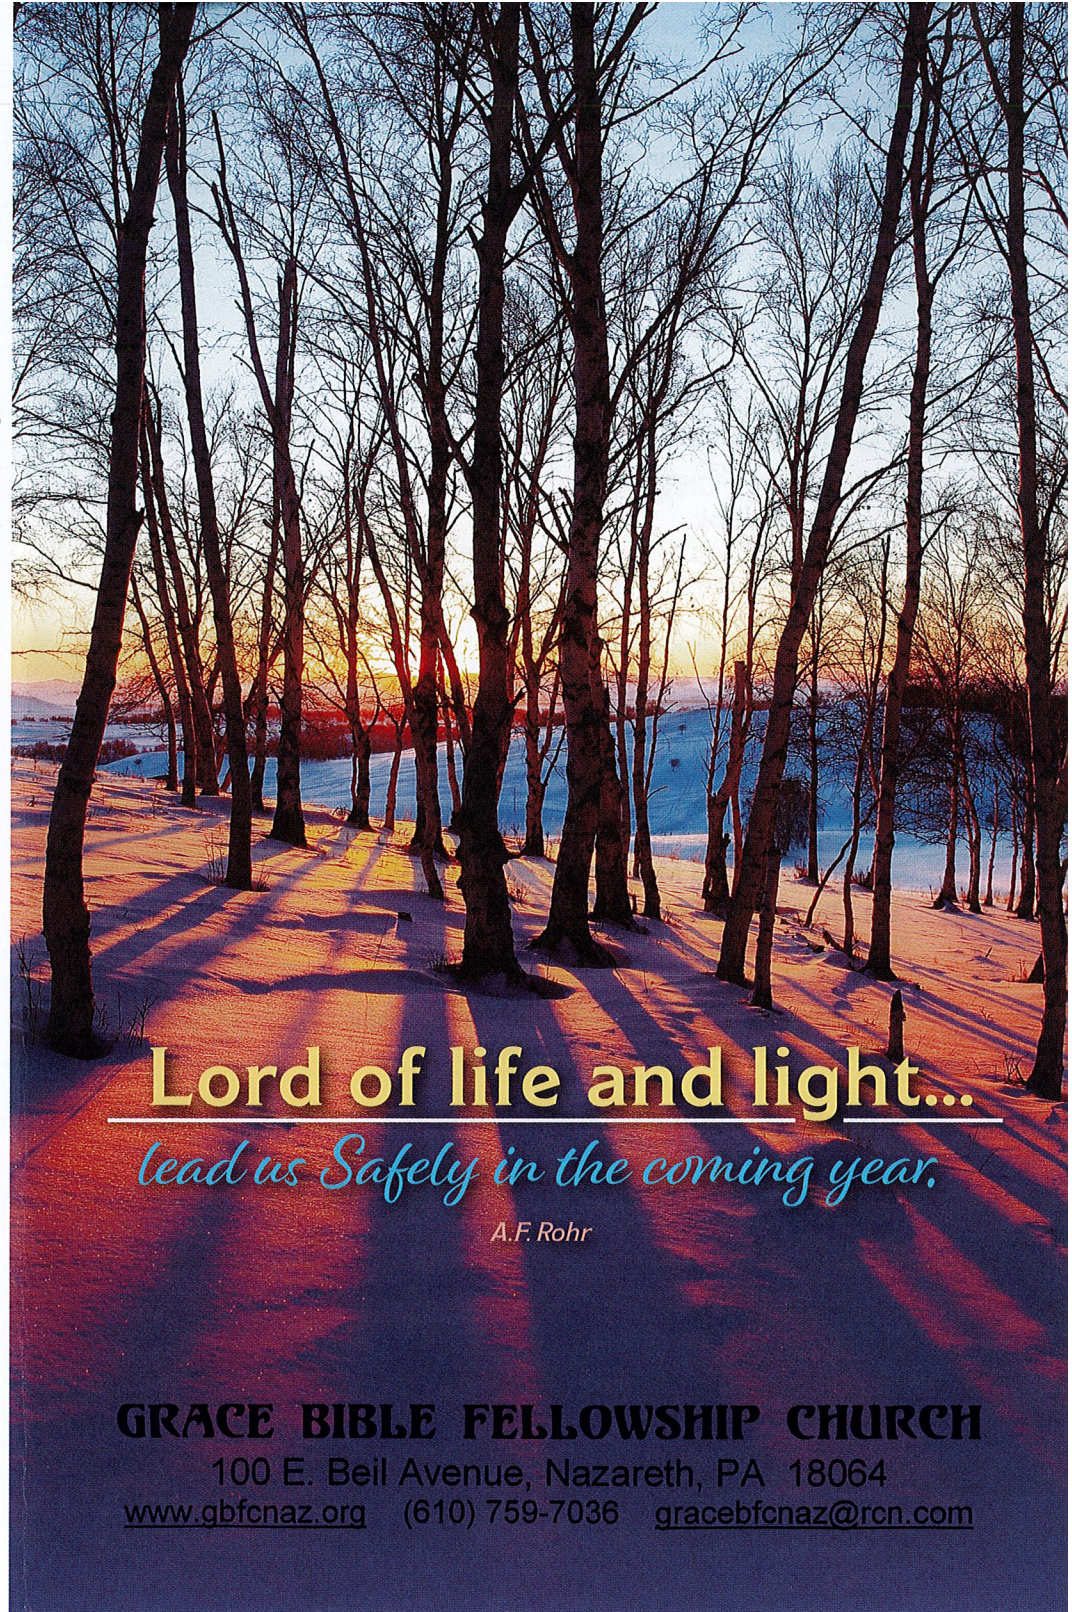

Please pray for our girls that they would each continue to grow in the Lord, finish college and school well and be sharp tools in His hands for His glory.

Thank you and have a blessed Christmas!

"Managing Our Finances God's Way" - Sunday School

Study/Workshop lead by Henry Sandt beginning in January. We will be studying the many verses and principles in the Bible about our financial stewardship especially as we enter a new year and take account of the past year. The Bible has much wise counsel about our financial life. We will study these principles and have workshop sessions to help us apply these biblical principles in our personal finances. Please contact Henry Sandt if you wish to join in this study and workshop so that we can purchase workbooks in preparation.

Gospel of Mark - Sunday School Class lead by Jim Preslar beginning in

January. The Gospel of Mark chronicles Jesus's journey from Galilee to Jerusalem. Along the way, the Messiah gathers a ragged band of disciples. As crowds grow and dwindle on the road to Jerusalem, only a few stick by the suffering Savior on the road of discipleship. In this 11-part series on the Gospel of Mark, author and speaker, Francis Chan invites us to walk with him along the ancient ways of the Master. There will be a 10 minute video introducing the section of Mark to be studied each morning. Tracing the steps of Jesus and the Twelve through Israel, Francis explores the major themes of the Gospel of Mark, and asks: Are we willing to take this journey to embrace discipleship?
