Bright Hope Pregnancy Support Centers are committed to not only provide care, but to offer hope through sharing the Gospel of Jesus Christ.

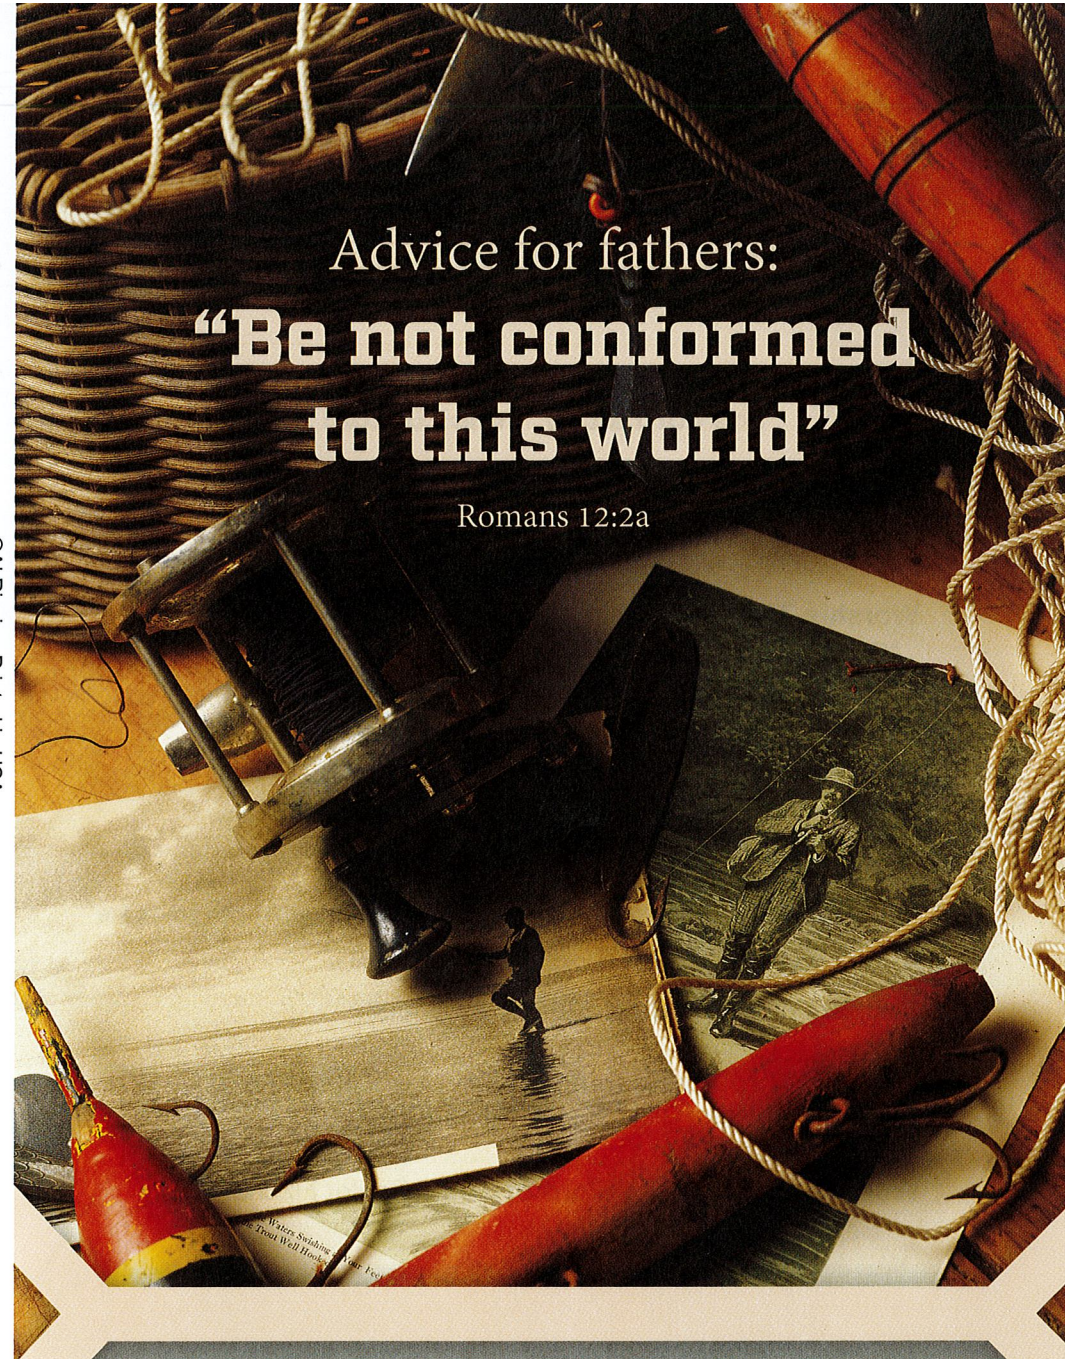

### **We praise God for 40 Years of His Provision.**

Thanks to the support of the prolife warriors in our community, the Lehigh Valley's first Storks Medical Mobile Unit is fully funded! Bright Hope's life-saving services will soon be on the move and will travel the Lehigh Valley offering free on-board pregnancy tests, ultrasounds and STI testing. Please pray for the implementation of our Mobile Medical Unit.

Here's the impact Bright Hope's Medical Mobile Unit can have on our community:

- Statistically, 4 out of 5 women who board a Medical Mobile Unit choose life for their baby!
- Bring hope and help by empowering women with accurate options counseling from licensed medical staff and trained advocates.
- Bring free life-saving services including pregnancy tests, ultrasounds and STI testing right next to the abortion clinics and to college campuses.
- Provide a safe and private space by creating a warm, inviting atmosphere.

Please continue to pray for provision of volunteers and funds to continue our mission and for protection from the enemy over our staff, volunteers and donors.

Advice for fathers:

to this world”**
