

MISSIONS UPDATE OF THE WEEK

Serving with International Tribal Ministries
Tony & Joanna Murrin
Cochabamba, Bolivia S.A

Dear Partners in the Gospel,

My heart was filled with joy as we were able to celebrate finishing another year at (CBM) Centro Biblico Misionero. A wonderful evening of the 11 student indigenous families sharing testimonies of how they are growing in the Lord, some who for the very first time now have a clear understanding of the gospel of grace. There was singing in the four different languages and reading of scripture. Those who read were not able to read at the beginning of the year and now can read their Bibles!

Plans have been made among some of our students for the next 3 months, as they will team up in pairs to do team teaching in each of their villages and languages. We are just praising the Lord for the impact His Word is having and seeing lives transformed by the power of the gospel. Please pray for our students as they go back to their villages to walk closely with the Lord.

We ask that you pray with us regarding the many financial needs we have as a mission to carry out these ministries and invite you to be a part with us. More classroom space and living area for the new students are needed. The village of San Lorenzo is donating another 1.5 acres to ITM to give us some more space, but we need more construction materials. I was reminded of the passage in 2 Kings: 4 when Elisha asked the widow what she had in her house. Nothing but a jar of oil she replied! As that jar of oil has gotten very low, I am continually reminded of God's Faithfulness to us all these years!

Thank you for praying and giving.
Tony
