

Missions Update of the Week

Serving with FIM in Greece

Efthemes & Eirini Sioukiouroglou

PO Box 454,
Koropi – 19400 Greece

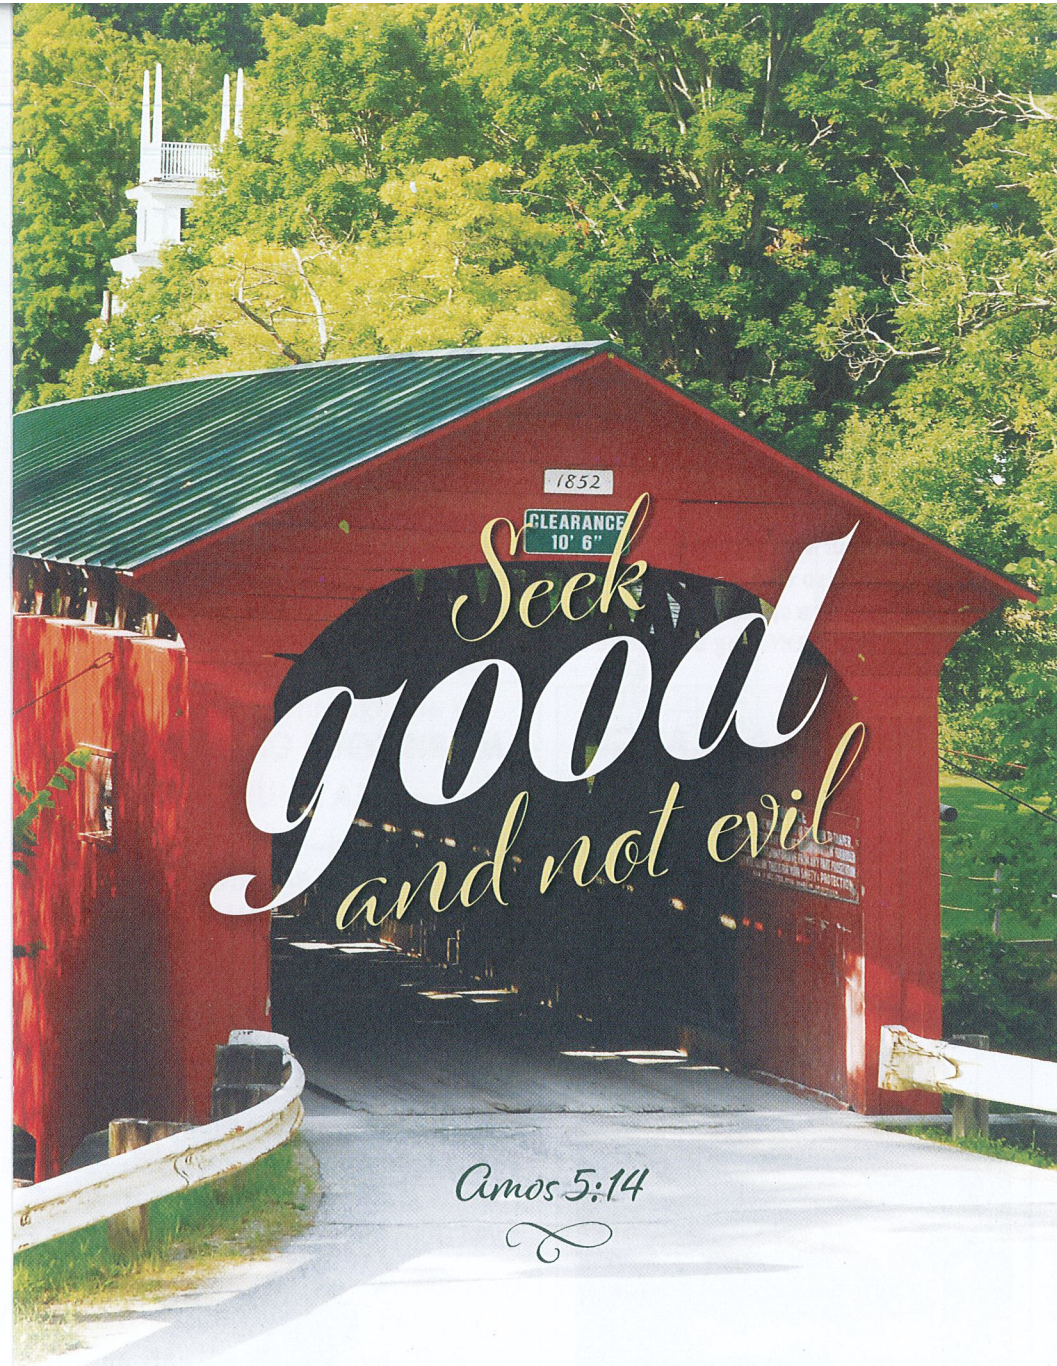

Currently in the USA
April 6 – May 21

The elders had the privilege of meeting with Efthemes and Eirini this past week to of their work as well as personal updates of experienced highs and lows over the past few years since they have been able to share in person.

Here are some things that we can be praying for:

- The **time spent here in the states** (April 6-May 21) as they visit supporting churches and individuals and share vision for their newest Center, “Alpha and Omega” in Koropi (mainly Indian and Pakistani refugees).
- **Additional funding for now two Centers**—“Crossroads” in Athens and “Alpha and Omega” in Koropi.
- **Adjustments for Efthemes and Eirini as they now have an “empty nest”** with both children in the US and additional responsibilities split between two locations—protection for their marriage and self-care in the midst of growing needs.
- Support for mothers of both Efthemes and Eirini, that the LORD would give them quality time together and bless these years of increased need to care for them.
- **Son, George**, in school at Cairn University in Philadelphia needs a car. Pray for this provision to be provided in God’s good grace and timing.
- **Daughter, Daphne**, graduates this May and she and her husband are moving to Knoxville to work and continue studies for the next two years. Pray for provisions for them both in this transition.
