

# Missions Update Of The Week

*DiscipleMakers*

Dear Friends,

**Thanks so much** for praying for our **2 weeks of May FOCUS conferences!** It was an exceptional time in God's Word, rich fellowship with the hundreds of students who attended, & rigorous challenges from the Scriptures for the task of investing in others for the sake of Christ.

Here are three particularly encouraging quotes from students who attended: ***I am really encouraged ... to go into my school and make disciples***

***wherever God takes me. I never saw myself as carrying a role like this but am now encouraged that I am called to be a team player and not a bench-warmer.***

***God has provoked me to share the gospel wherever I am, including the workplace.***

***Very convicting & timely. The***

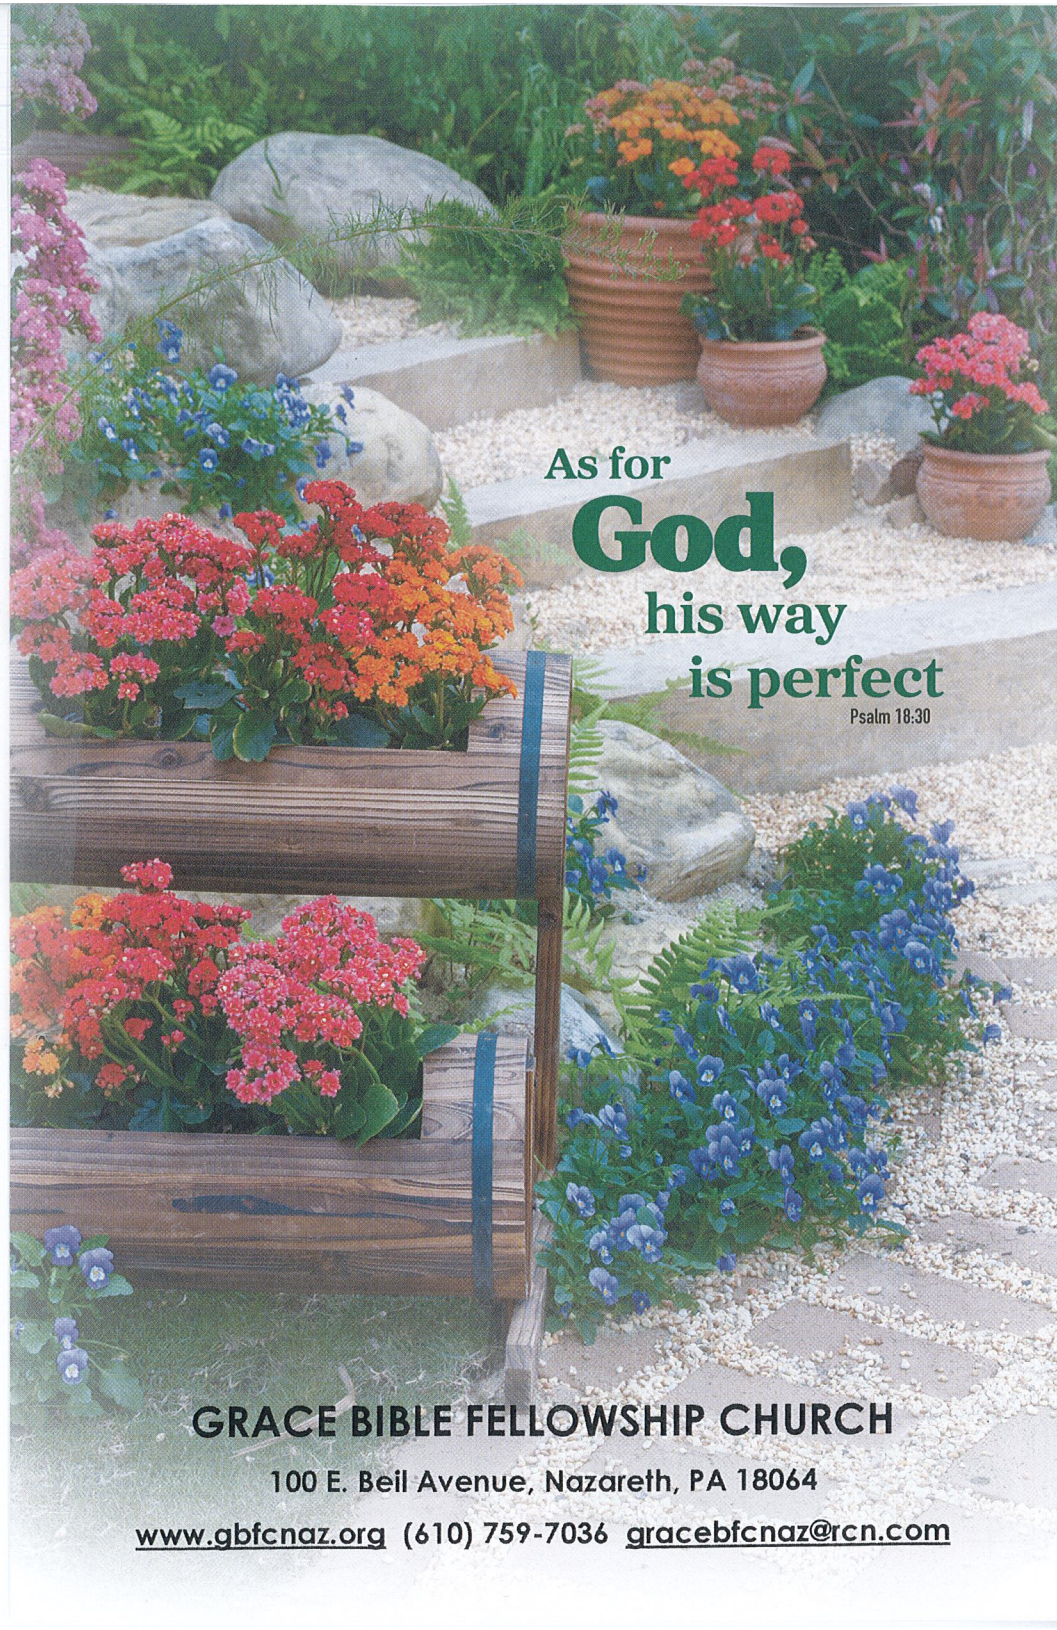

***messages ... gave a perspective shift on how I approach, not just strategies for discipling, but also how to view God and approach others.***

If you'd like to see a highlight reel from Focus, please go this link ([www.vimeo.com/948147110](http://www.vimeo.com/948147110)). I'd think you'll be really encouraged by it!

As we look ahead to ministry **this summer**, would you **join in prayer?**

***\*Leadership of an online course for eight of our fellow DiscipleMakers' staff on how to teach the Word of God more effectively. Pray that God would use the time of crafting messages, listening to talks, and giving feedback to encourage and equip those in our class to become more skilled and winsome in proclaiming the Scriptures?***

***\*In late July, we lead a team of 10 for a return trip to London. Pray that God would use our efforts to place the Scriptures into the hands of many tourists from Middle Eastern nations who visit London in the summer!***

As for  
**God,**  
his way  
is perfect
