

## Missions Update of the Week

### Mark & Shannon Fodale

*Campus Missionaries with  
DiscipleMakers*

#### The GO Initiative

Mark was part of a team that developed this initiative, a 7-week cohort-based program designed to help students actively engage in evangelism while home during the summer. Fifty students participated. Here are a couple testimonies...

- "I shared the gospel with one of my friends who was a self-proclaimed Atheist. I came to find out that he was actually agnostic. There were difficult personal experiences in his life that has made him reluctant to follow God. But he is now willing to investigate the Bible with me."
- "I was able to share the gospel with my sister's friend while we were on vacation using some of the skills I learned from GO! She wanted to make Jesus the Lord of her life, and she has been going to church and reading the Bible for two weeks now! I was able to share the gospel with four other people and they said it really changed the way they looked at Christianity!"

#### London Mission '24

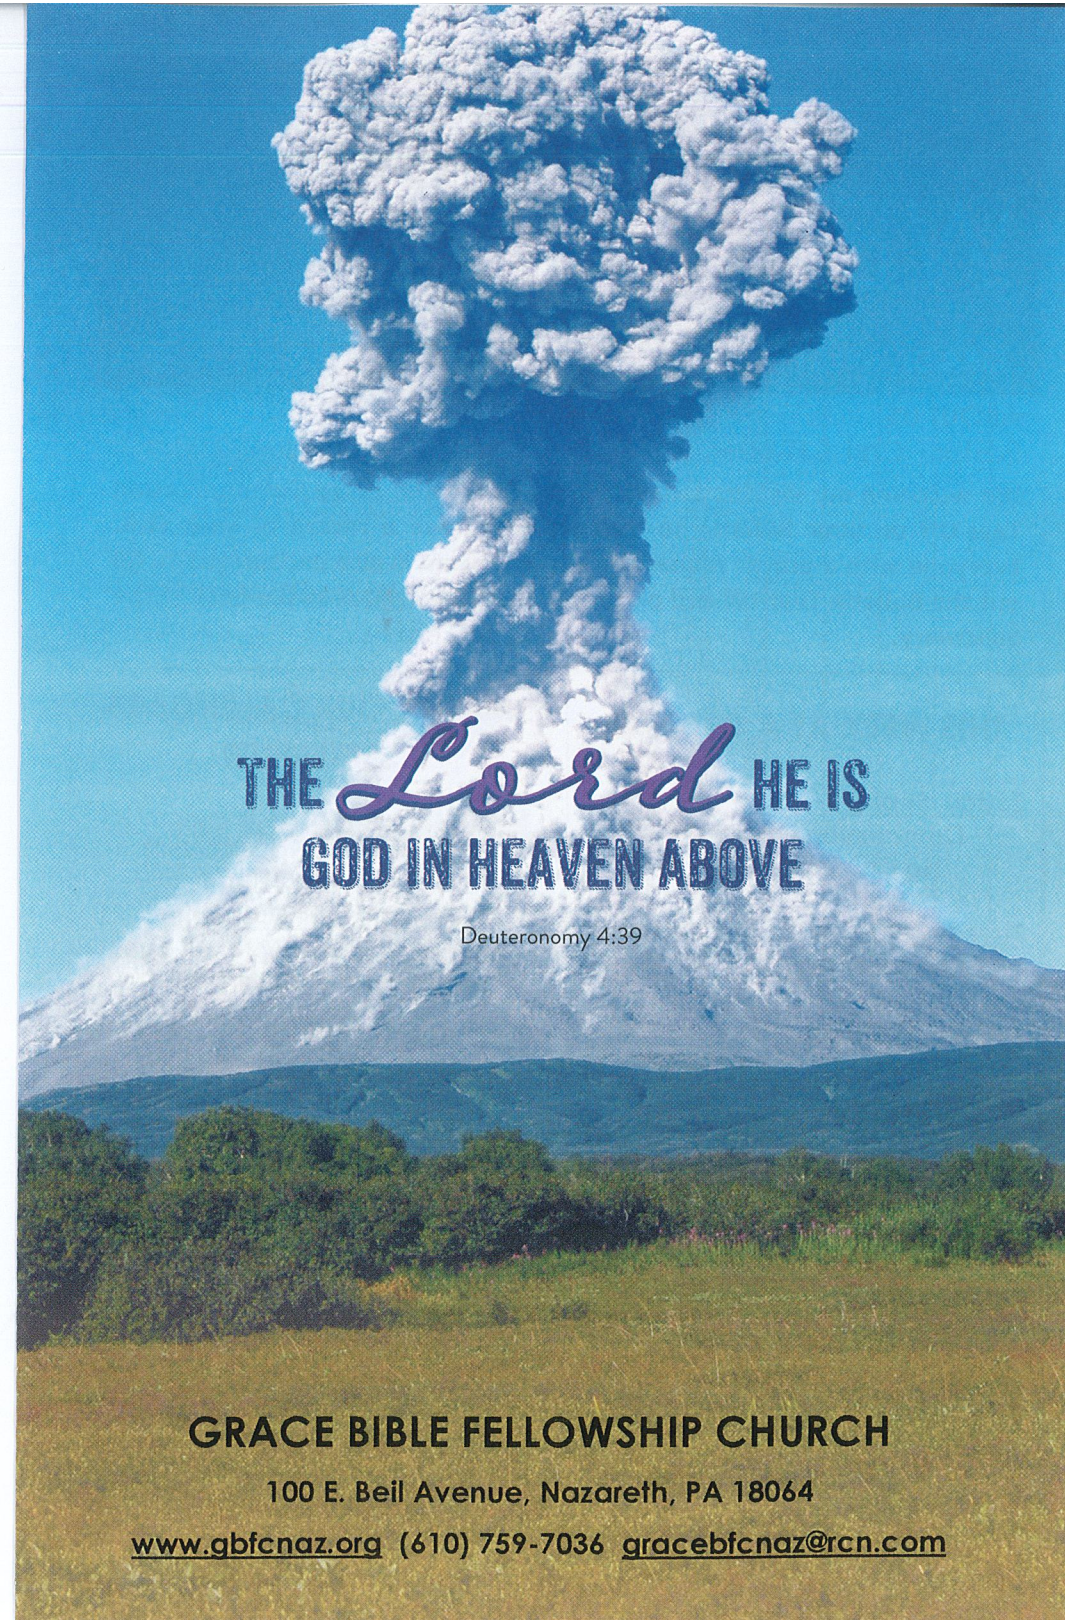

Mark and Shannon led a church team that partnered with a student team from *DiscipleMakers* to reach people from closed, Middle Eastern nations who visit London on holiday in the summer. Everyone on the team had *significant spiritual conversations (a total of 642 of them) with sharing the gospel 357 times and handing out 1987 Bibles and gospel-centered books to people from over 50 countries!* PRAY that God would grow the seed of the Word that was planted through these efforts.

#### Looking ahead this Fall—Please PRAY:

- God to stir many to seek Jesus Christ as the pearl of great price.
- Outreach efforts of our campus fellowships would be successful in reaching many with the gospel.
- God to strengthen our DM staff and student leaders as they seek to draw many to Christ.
- Open doors for preaching Jesus Christ on our campuses.

So grateful for you & your partnership in the gospel!
